- Access Improvements

An aerial photograph of a large, modern cargo gate complex. The complex features a long, multi-lane paved area with several loading docks and a central building structure. The surrounding area includes various industrial buildings, parking lots with cars and trucks, and landscaped green spaces with palm trees. The text "State-of-the-Art New Cargo Gate Complex" is overlaid in the center of the image.

Economic Impact

An aerial photograph of a major port facility, likely in Miami, Florida. The foreground shows a large area filled with colorful shipping containers (red, blue, green, yellow) stacked in neat rows. Several large gantry cranes are positioned along the waterfront, with one crane in the process of loading or unloading a large cargo ship. In the background, a dense urban skyline with numerous skyscrapers is visible across the water. The sky is clear and blue.

Cruise Operations

An aerial photograph of a busy cruise ship port. Several large cruise ships are docked at a pier, with the 'Carnival Victory' clearly visible in the foreground. The ships are white with red funnels. In the background, a dense city skyline with numerous skyscrapers is visible under a blue sky with light clouds. The water is a calm, light blue-green color.

➤ **3.7 Million Passengers**

➤ **757 Dockings**
